MEMORANDUM FOR:

SUBJECT : S. 764 - To Establish a Program to
Provide Open Support for Private
Nongovernmental Activities

REFERENCE : DD/S 69-2180

1. This Bill has again been reviewed by this Office and no change is recommended in the Agency's position. It is still the opinion of this Office that Section 7, entitled "Prohibition Against Required Intelligence Gathering," must have an adverse effect upon current Agency programs.

2. It is our recommendation that an attempt be again made to incorporate the proposed revision of Section 7 into the full bill.
